Please note each new school year Mid Island Bus and DCS Administration take the following into consideration when planning the bus routes for the school year: ridership demand, safety of stops, minimizing the time students are on the bus. We try to accommodate as many stops for ridership as possible each year. Also whenever possible, for all routes, we will try to accommodate custom stops for primary grade students to ensure their stops are close to home whenever possible.

If you are interested in registering for the bus please complete a bus registration form.
