DCS can only operate effectively if every family in our school community supports the school by volunteering throughout the school year. We can keep our fees at a more reasonable level due to volunteerism. Our programs and projects need your support, and may not happen without it. Understandably, some families may not be able to volunteer so we do provide an alternative option to donate to the Volunteer Fund instead. If either option creates a hardship, please speak to the School's Administration. Family members are all welcome to volunteer and have their time allocated towards the required volunteer hours.

Please indicate which option you choose on the Tuition Agreement Form. For those choosing to volunteer in the school, please check areas in which you are willing to serve. You will be contacted regarding details or, better yet, respond to needs mentioned in the school newsletter. Please do not forget to keep track of your volunteer hours by recording them in the volunteer book at the elementary office or by sending an email to office@duncanchristian.com before June 10th.
